NEW JERSEY

Administrative Action

CONSENT ORDER

This matter was opened to the New Jersey State Fire Alarm, Burglar Alarm and Locksmith Advisory Committee (the "Committee") upon receipt of information from the New Jersey Department of Community Affairs, Division of Fire Safety (the "Division"). The information indicated the Division had revoked respondent's fire alarm systems certification and business permit, in accordance with N.J.A.C. 5:74-2.6(a) and N.J.A.C. 5:74-2.6 14(c).

Specifically, respondent admitted that he submitted false documents to the Division indicating that he met the requirements from NICET, the National Institute for Certification in Engineering Technologies, for fire alarm level 2 certification. However, the certificate submitted by respondent was in fact the certificate of another individual. Respondent placed his name on the certificate issued to the other individual. Additionally, respondent failed to have a valid fire alarm, portable fire extinguisher or kitchen fire suppression qualifier for his business.

Having reviewed the entire record, it appears to the Committee that these facts establish a basis for disciplinary action, pursuant to N.J.S.A. 45:1-21(b), in that respondent has engaged in the in use or employment of dishonesty, fraud, deception, misrepresentation, false promise or false pretense. Additionally, these facts establish a basis for disciplinary action, pursuant to N.J.S.A. 45:1-21(e) in that respondent engaged in professional misconduct. Finally, these facts establish

a basis for disciplinary action, pursuant to N.J.S.A. 45:1-21(g), in that respondent has had his authority to engage in the activity regulated by the Committee revoked or suspended by another agency for reasons consistent with N.J.S.A. 45:1-21.

THEREFORE, IT IS ON THIS 22 DAY OF June, 2009,  
HEREBY ORDERED AND AGREED THAT:

1. Respondent is hereby reprimanded for his actions outlined above.
2. Respondent's license to engage in the practice of burglar alarm installation in the State of New Jersey is hereby actively suspended for a period of six (6) months effective upon the filing date of this order. Prior to reinstatement, respondent must appear before the Committee in order to demonstrate his fitness to resume practice, at which time the Board may condition his practice on such conditions as it deems in its sole discretion to be reasonable to ensure the public health, safety and welfare.
